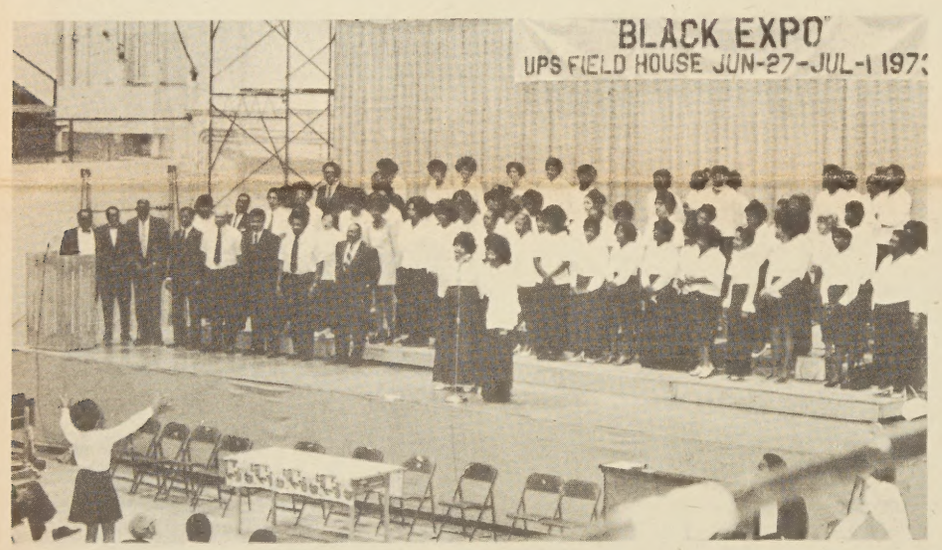
Black Expo Showed Tacoma



"We are here to show Tacoma to Tacoman's", Ellis Cain, co-director of Black Expo "73, told audiences at the opening and closing of the five-day program.

The week included a variety of entertainment, workshops, and speeches.

Entertainment included a boxing exhibition by the Boy's Club, dramatic production by Ujamaa Drama and Light Show, numerous bands topped by "Riot Band" from Detroit, and numerous other presentations.

Heading the workshops was the "Black Business and Economics Workshop" on Wednesday.

Numerous speakers talked about ways for blacks to achieve equality in our society. Rudy Martin, Dean of Academics of the Evergreen State College, said that blacks must achieve their own freedom because no one will give it to them.

He added that none of the past methods, interracial marriages, protests, riots , etc., have set the black man free. The only way he will be free is through education and acquiring skills.

The exposition was closed with the remarks that the mistakes and lessons of '73 will make Black Expo '74 even better.

A.K.A. Sorority Regional Conference Held on Queen Mary

Eight members of the Tacoma Chapter of Alpha Kappa Alpha Sorority journeyed to Long Beach, California and spent four days June 28th through July 1st - aboard the ship Queen Mary attending the 44th Far Western Regional Conference. The Queen Mary, purchased and moored by the city of Long Beach for $87 million dollars, proved to be an ideal setting for the conference. The living accommodations, shops and meeting rooms, including the Grand Ballroom, were luxurious and remained appointed with many of the original fixtures and decor.

The chapter members who attended the conference were Bettye Clanton, Caludia Thomas, Marie Lindsey, Ruby Harris, Audrey Russell, Ellen Murphy, Dorothy Neal, and Dolores Silas. Also attending from Tacoma was Myrtle Gowdy, a general member of the sorority.

The Tacoma Chapter was honored by having one of its sorors, Marie Lindsey, awarded one of the Graduate Alumnae Awards because of her years of service to the sorority and her community. Claudia Thomas, a member of the sorority's National Program Committee, conducted one of the many workshops held during the conference.

Awarded Life Membership

In recognition of her long and untiring work on behalf of the organization, the members of ZETA OMEGA OMEGA CHAPTER OF THE ALPHA KAPPA ALPHA SORORITY have awarded to Mrs. W. P. Stafford, a life membership in the national organization. The award was presented at the June meeting of the Sorority.

Mrs. Stafford joined the Sorority in 1925, in Kansas City, Missouri. After her marriage in 1926, she moved to Tacoma, and immediately began the arduous task of organizing the first chapter in the Pacific Northwest. It was not until 1931, that enough interest was generated, and the first Chapter organized. At the present time, there are three Chapters in the Tacoma-Seattle area, and Mrs. Stafford was a charter member of all three chapters. There is also a Chapter in Portland, Oregon. In order to qualify for a life membership, a member must have been active, for a minimum of 25 years.

Organized in 1908, on the campus of Howard University, in Washington, D.C., the Alpha Kappa Alpha Sorority has the distinction of being the oldest Sororoty, for Negro women in the United States.

MADIGAN GENERAL HOSPITAL FAMILY PRACTICE TRAINING PROGRAM DISCONTINUED

The Office of the Army Surgeon General has recently announced that effective July 1, 1974 all medical training programs with the exception of the Family Pracrice Training Program will be discontinued at Madigan General Hospital. This action will have an immediate effect upon the quality and character of medical care in the Pacific Northwest.

Community concerns regarding this decision will arise around the following issues:

1. Withdrawal of the medical training program will also result in transfer of the teachers and specialists now providing many kinds of specialized care for both in-patients and out-patients.
2. Such a change in Madigan Army Hospital could have a sizable impact on Department of Defense personnel assigned to and retired in the area. Patients requiring specialized care may be required to go to San Francisco, Denver or Washington, D. C.
3. The local community at this time must question whether it is equipped in medical manpower to care for a possible demand for CHAMPUS care. The specialties are rare resources and if withdrawn may cause an overload problem in nearby communities.

These and other concerns related to the proposed termination of medical training programs at Madigan Army Hospital will be the subject of a public meeting to be held July 10, 1973 at 7:30 p.m. at the Park Lodge Elementary School in Lakewood. The public is invited to attend.

G. M. Batie

Tis the time for that out-door barbecue. It may be cooked ahead and reheated.

SOUTHERN BARBECUED RIBS

3 lbs. spareribs
1 large onion chopped
½ cup water
1 cup chili sauce
2 tlbs. liqued smoke
¼ cup vinegar
1 tablespoon Worcestershire Sauce.
1 teaspoon prepared mustard
1 teaspoon salt
1 teaspoon paprika
¼ teaspoon black pepper

Wipe spareribs with a damp cloth and arrange on grill over well burned down coals. Meanwhile, combine onions, water, chili sauce, vinegar, brown sugar, Worcestershire sauce, smoke, and seasonings. Turn ribs and baste until ribs are well browned and well done. Serve with the rest of the sauce. (Use the same sauce ingredients for double the amount of ribs. Double sauce for more than six pounds.)

MEDITATION

Forbearing one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive.

Council Awards Ferry Park Contract

The City Council awarded a contract for building restrooms and sidewalks and for repair of a shelter at Ferry Park to Art Person Electrical & General Contractor, a member of Minority Contractors.

Councilman Harold Moss took the occasion to praise the Model Cities program saying that the bids for original work at Ferry Park were extremely high. Now a contractor has come out of another Model Cities project and made a bid below the City engineer's estimate. He thanked the city for the opportunities provided by the Model Cities program.

The council also approved a 90-day contract with the Tacoma Urban League to operate the Housing Development Project. The project cannot be started until a public corporation is set up, so the contract will allow the Urban League to begin interviewing staff and looking for an office for the project. The project may begin by September.

Three Wilson Grads to Spent Summer Exploring

Three recent Wilson graduates have been chosen to participate in scientific exploration programs this summer.

Rodney Rogers, 1110 So. 17th, and Dorinda Raglind, 1106 So. 25th, will be going to Pleasant Bay, Cape Cod, Mass., to do exploration in marine biology. Alice Mumford, 2341 So. L, will be going to St. Mary's City, Md., to help with the excavation of a colonial home.

All three students were graduated from Wilson in June and will be attending Pacific Lutheran University in the fall. The three were chosen by a local selection committee.

The expeditions are operated by Educational Explorations International which sponsors a world-wide program of scientific research in a variety of disciplines from anthropology to volcanology.

The program is designed to bring talented students into working contact with eminent scientists who are conducting significant field research. The three Model Neighborhood residents are being sponsored by the Tacoma Model Cities Program.

After the presentation by the council, the three students will be available for pictures and comments in the Mayor's office.

Notice

'Contact' producer, Owens Satterwhite, Jr., has announced that minority contractors will be the focal point of discussion for the July 7, 1973 segment of the television talk show, 'Contact'.

Hostess Harriet Williams will be joined by Mr. Virgil Matthew and Mr. Ernie Altheimer, both from the Minority Contractors of Pierce County.

The program, jointly produced by the Metropolitan Development Council and the Public Affairs department of KTVW-TV channel 13, will air at 9 a.m. on July 7, 1973.

Trash Pick Up Ending

If you have trash on your property that should be removed, you had better call the Environmental Health project before it closes on July 31.

The Refuse Department will collect trash after that date, but they will charge for the service. The Environmental Health crew will pick up trash in the Model Neighborhood free of charge until July 31. The phone number of the project is 593-4767.

The project has achieved its goals so it will be phased out before the expected termination date of September 30. During its existence, the program has cleared trash, trapped rats, and sprayed weeds and brush.

The Health Department will continue its rat control and will work with Tacoma residents who have problems with insects.

NATURE will not forgive those who fail to fulfill the law of their being. The law of human beings is wisdom and goodness, not unlimited acquisition.

Dear Tac-Vac

by: Ted Jefferson

Dear TAC VAC:

Q - I am taking on-the-job training under the GI Bill and I have five children. I get an allowance for my wife and one child, but nothing for the other four children. Why is this?

A -Before a change in the law last year, the allowance could only be approved for two dependents. However, under the 1972 amendments, $8 monthly can be approved for dependents above two. Contact the VA regional office handling your records for application details.

Q - Will my VA disability compensation be reduced if Social Security benefits are increased?

A - No. VA does not count any income against service-connected compensation, including Social Security payments. However, income is a factor in determining eligibility for VA nonservice-connected pension. Ninety percent of Social Security benefits are counted.

Q - How many changes of program can a veteran make under the GI Bill?

A - Most veterans and servicemen are limited to two program changes. However, Public Law 540, 92nd Congress, authorized a third change if the change is caused by circumstances beyond the individual's control. A veteran must obtain counseling from VA before such additional changes may be approved.

Q - My husband died from his service connected disability, so I am eligible for education under the Dependent's Education Assistance Program. Will I get a higher monthly allowance because of our children?

A - No.
